Teen Queen Of The Week

Freddy Cannon

Last night they held a beauty contest And crowned my girl the best

She was voted the Teen queen of the week Now she won't even speak to me Teen queen of the week Success went to her head

Nominated the starlet of the month Hasn't got the time of day for me Starlet of the month I was that I was dead, yeah

Popularity, you've got it The whole darn world is your balloon I'll be your flunky, your trained monkey While the organ grinder calls the tune

I'm elected the prize fool of the year Cause I'll stay waiting here for you Teen queen of the week Til you find a weak spot for me

La la la la la...
