It's All In The Game

Freddy Fender

Many a tear has to fall But It's All In The Game All in the wonderful game That we know as love You have words with him And your future's looking dim But these things your hearts can rise above Once in a while he won't call But It's All In The Game Soon he'll be there at your side

With a sweet refrain And he'll kiss your lips And caress your waking fingertips And your hearts will fly away And he'll kiss your lips And caress your waking fingertips And your hearts will fly away And your hearts will fly away And your hearts will fly... And your hearts will fly...
