

# Bought A Big K

Fredo Santana

[Hook: Chief Keef]

A big K, a big K  
I just went and bought a big K  
Shoot a nigga dead in his face  
I ain't ever like him anyway  
It's gon' be okay, it's gon' be okay  
I sip lean, I don't like no Rosé  
I just bound from a whole K  
Baby you know we the Glo Gang

[Verse 1: Fredo Santana]

2-4-14 be the gang  
Big boss, put a goofy in his place  
Got 30's hangin' off my fuckin' waist  
Don't make me catch a mothafuckin' case  
He owe gwap then that nigga better pay  
Or I'mma be at his crib the next day  
With a big K, a big K  
Shoot his momma in the mothafuckin' face  
In the trap, whippin' work like a slave  
In the hood, my lil' niggas can't behave  
Chest shot, or the neck, or the face  
Put an Op nigga in his fuckin' grave  
A big K, a big K  
Sosa say he want him dead, he die today  
Got a 30, I just bought a big K  
It's ok, it's ok

[Hook: Chief Keef]

[Verse 2: Fredo Santana]

Sneak dissin', get found the next day  
Stretched out, bullet holes from my K  
It ain't my birthday, but I got a lot of cake  
Try to take it and I'm shootin' you in the face  
In the trap, with the squad, movin' weight  
White bitches sniff a row up off the plate  
I don't trust niggas, lot of niggas fake  
When I'm on your ass, ain't no escape  
Try to run, I ain't worried, bullets chase  
I just went and bought a big K  
It's ok, it's ok  
I just went and bought a big K

[Hook: Chief Keef]
