[Hook:]

Cook the dope up, dope  
Cook the dope up, dope  
In the kitchen whippin' cookin' dope up  
Cook the dope up, dope

Cook the dope up, dope

[Verse:]

In the trap serving dope with a lot of guns  
If a nigga try to rob then you know I'm blowing  
Two for ten, on the dope, got my trap boomin'  
If the police run in here me and my niggas shootin'  
Cook the dope up, dope, cook the dope up,  
I bring the mask out if my trap slow up  
Cook the dope up, cook the dope up  
Drought season turn a half into a whole one  
You ain't seen a trap, you ain't a real trapper  
To me these niggas actors, you want a brick, I'm taxing  
Got fiends they spend their taxes, will disappear like magic  
Balling like I'm the Mavericks, all of my niggas savage
