

Twinkle Twinkle Little Star

Fredrika Stahl

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky

When the blazing sun is gone
When there's nothing he shines upon
Then you show your little light,
And twinkle, twinkle through the night

In the dark blue sky
You keep
And through my curtains often peek
For you never shut your eyes
Till the sun is in the sky

Then a traveller in the dark
Thanks you for your tiny spark
He couldn't see which way to go
if you didn't twinkle so

No, I don't know
What you are
Twinkle, twinkle, little star

Twinkle, twinkle, little star
How I wonder what you are

Up above
the world so high
Like a diamond
in the sky

Like a diamond
Like a diamond
Like a diamond
Like a diamond
You shine your little (Like a diamond)
And twinkle, twinkle through the night

Twinkle, twinkle, little star
How I wonder what you are
