

## True Colors

Fredro Starr

I see you're true colors shinning through I see your true colors  
and that why I love you  
I see your (one for the ghetto) true colors shinning through (s  
traight up) I see your true (I am make it out) colors and that'  
s why I love you□

Yo father forgive we all trying to survive were we live  
I'd rather feed the homeless and take time talk to the kids  
Show them that life ain't no walk on the bridge  
Damn as hard it is when I be dreaming I be talking to Big  
In my hood it ain't no yellow brick road you hear the shots ech  
o  
Sneakers hanging from a telephone poll  
In my ghetto there aint no rainbow or pots o gold  
But there was love from the family when times were cold  
I sit an analyze the world from my roof seen the hope in the ey  
es of the trouble youth  
A good killa kept a burner in his bubble goose a mother less ch  
ild lost in these streets lose  
In the murder days these are rainy days my man got popped at an  
early age  
His college fund saved flipped into his grave they say the good  
die young were headed for them pearly gates

I see you're true colors shinning through I see your true color  
s and that why I love you  
I see your true colors shinning through I see your true colors  
and that's why I love you□

Yo they say this love wasn't meant to be  
Two people from different worlds we wasn't be  
It must have been faith you were sent to me  
Will make it threw these hard times eventually  
The standard fight brought by faith not by sight  
We all the same color when u turn out the lights  
I take the sunshine with the pain  
Grab my Sara gone sad that when it rains  
No French kept the food on the window pain  
We all breath the same air so we all the same  
I am trapped in this ghetto maze trying to make it out  
If you don't know me don't judge me what you talking bout  
I am dividable by broken dreams  
Single moms you my heroes you my queens  
To get my mom out the hood that is my hopes and dreams  
to reach my son to be a solja by any means

I see you're true colors shinning through I see your true color  
s and that why I love you

I see your true colors shinning through I see your true colors  
and that's why I love you☐
