

## Greener Pastures

Free Kitten

Rock music is the life for me  
Clean towels dirty drinks and candy  
I get allergic smellin' hay  
Smokie clubs make me say hooray

The chores the tours  
Fresh air huggy bear  
The steer free beer  
Green grass oh, access pass

The stage is where I wanna be  
Throngs of people gazing up at me  
Pop close not pop avenue

Darling, I love you but give a venue

The chores the tours  
Fresh air huggy bear  
The steer free beer  
Green grass oh, access pass

You take the fun I'll handle the press  
Spotlight is where I'm at my best  
Clean linnen just leaves you wanting more  
I want to hear them shout: "encore! encore!"
