Easy on My Soul

Oh...yes.. Some say love is some say what is love some say is love really all around

Some say life is some say what is life some say is life really all around me

but I say easy easy on my soul but I say easy easy on my soul

Some say love is some say what is love some say is love really all around

I want to tell you my story I want to tell you I'm sorry

easy on my soul...
easy on my soul
easy on my soul. 1
