

A Perfect Day

Freedom Call

I`m the biggest, I`m the best
I`m better than the rest
I`m bad, I`m worst, I rule
I`m better than the rest

I`m a sinner, I`m a saint
I`m tough not faint
I`m smart, I`m rough so cool
I`m better than the rest

A perfect, a perfect day

Welcome to a perfect day, a perfect place to be
All the best that life can give, is not good enough for me
Welcome to a perfect time, a perfect unity
The best is only good enough, good enough for me

I`m sexy, I`m hot
I`m right on the spot
I`m clever, however, I`m cool
I`m better than the rest

I`m a rebel, a rocker
A bloody motherfucker
I`m hard as a rock, so rude
I`m better than the rest

A perfect, a perfect day

Welcome to a perfect day, a perfect place to be
All the best that life can give, is not good enough for me
Welcome to a perfect time, a perfect unity
The best is only good enough, good enough for me

Welcome, welcome to the joy of life
