

## Dimensions

### Freedom Call

Where do we go from here?  
Where is our home, what's our destiny?  
When do we learn to see ?  
When do we learn to understand ?

Give me a reason to believe !  
Is this a tale I should believe ?  
This is a tale of mystery  
Is this the tale I should believe ?

Dimensions, Dimensions  
Castaway eternally  
Dimensions, Dimensions  
Hear the call and follow us to heaven

What do we find out there?  
Is it heaven, is it hell ?  
Where will our journey end ?  
Beyond the gates of space and time ?

Is this a story made of dreams ?  
Is this a tale I should believe ?  
Is this all real or fantasy ?  
Is this a tale I should believe ?

Dimensions, Dimensions  
Castaway eternally  
Dimensions, Dimensions  
Hear the call and follow us to heaven

Dimensions, Dimensions  
Castaway eternally  
Dimensions, Dimensions  
Fear the call, don't follow us  
Cos heaven is hell
