Freedom Call

Where do we go from here?
Where is our home, what's our destiny?
When do we learn to see ?
When do we learn to understand ?

Give me a reason to believe !
Is this a tale I should believe ?
This is a tale of mystery
Is this the tale I should believe ?

Dimensions, Dimensions
Castaway eternally
Dimensions, Dimensions
Hear the call and follow us to heaven

What do we find out there?
Is it heaven, is it hell ?
Where will our journey end ?
Beyond the gates of space and time ?

Is this a story made of dreams ?
Is this a tale I should believe ?
Is this all real or fantasy ?
Is this a tale I should believe ?

Dimensions, Dimensions
Castaway eternally
Dimensions, Dimensions
Hear the call and follow us to heaven

Dimensions, Dimensions
Castaway eternally
Dimensions, Dimensions
Fear the call, don't follow us
Cos heaven is hell
