

Tears of Babylon

Freedom Call

A stairway to the gods in heaven - out in the dust
A sign of hope for our redemption - forever lost

1000 dreamers, trust in the prophecies
Born in their fantasies

Babylon, Babylon
1000 nights in my world of dreams
1000 years in my memories

Outlawed by the revelations - calling you a shame
Accused of lust and fornication - you're the one to blame
