

Watchin' (feat. Amanda Wilson)

Freemasons

'Cause I've been watchin it all.....

'Cause I've been watchin it all.....

You've been cheatin' while I'm sleepin'

and tellin' me lies

And you've been chasin' every girl in sight

You've been cheatin' and tellin' me lies

And you've been messin' round, it's over now

You've been creepin' while I'm sleepin'

and tellin' me lies

And you've been chasin' every girl in sight

You've been cheatin' and tellin' me lies

And you've been messin' round, it's over now

You've been creepin' while I'm sleepin'

and tellin' me lies

Cheatin' while I'm sleepin'

and tellin' me lies

Cheatin' while I'm sleepin'

and tellin' me lies

Cheatin' while I'm sleepin'

and tellin' me lies

Cheatin' while I'm sleepin'

and tellin' me lies.....

And you've been messin' round, it's over now

You've been cheatin' while I'm sleepin'

and tellin' me lies

And you've been chasin' every girl in sight

You've been cheatin' and tellin' me lies

And you've been messin' round, it's over now
