## **Boys on Film**

Freezepop

I have a certain friend A chic photographer She's a bad influence And made me pose for her boys on film- a bright smile Boys on film- a coy pout Boys on film- eyeliner Boys on film- you're all decked out she plied us with red wine Dressed us in sailor suits I had to give in I knew we looked so cute boys on film- so saucy Boys on film- in tight pants Boys on film- a sly wink Boys on film- so take a chance photos- up on the internet Photos- and now I can't forget Photos- blame it on violet Photos- but you have no regrets incriminating photos of you It's not the kind of thing that you often do Sometimes you gotta get it off your chest The camera has a way of bringing out your best boys on film - I love you all Boys on film - up on my wall Boys on film - you're my sweethearts Boys on film - a work of art Boys on film - you love to tease Boys on film - oh would you please Boys on film - so devilish Boys on film - give me a kiss not just a pretty face So call up all your friends You know next time around I'll be behind the lens boys on film- fancy clothes Boys on film- oh-so-chic Boys on film- strike a pose Boys on film- you're fantastique incriminating photos of you It's not the kind of thing that you often do Sometimes you gotta get it off your chest The camera has a way of bringing out your best boys on film - I love you all Boys on film - up on my wall Boys on film - you're my sweethearts Boys on film - a work of art Boys on film - you love to tease Boys on film - oh would you please Boys on film - so devilish Boys on film - give me a kiss Boys on film- in fancy clothes Boys on film- you strike a pose Boys on film- you're oh-so-chic Boys on film- see'est fantastique Boys on film - you love to tease

Boys on film - oh would you please Boys on film - so devilish Boys on film - give me a kiss
