

Natural Causes

Freezpop

I surrender, yes I do Great pretender, nothing new We're out in
the open We're out in the open

Nature's splendor, lovely view Love me tender, love debut I alw
ays fall through I fall forever

Go on, go on / I'll slip right down I'll fall off the edge and
make no sound When I, when I / am finally found They'll say it
was natural causes I'll say it was natural causes too

I surrender, yes I do End of era, start anew I see a pattern I
see a pattern

Gender bender boy in blue Return to sender, broke in two The av
alanche is The avalanche is soon

Go on, go on / I'll slip right down I'll fall off the edge and
make no sound When I, when I / should tell on you They'll say i
t was natural causes I'll say it was natural causes too

Go on, go on / I'll slip right down I'll fall off the edge and
make no sound When I, when I am found / Should tell on you They
'll say it was natural causes I'll say it was natural causes to
