

## Take My Love Mon Amour

French Affair

Oh Baby tonight, tonight  
Don't hesitate, it's gonna be all right  
I take you high and don't deny my desire  
Oh Baby my heart is on fire

I touch your skin and I feel the warmth of your body  
Your body  
I'll be your fantasy, your night loving thing  
Je t'aime, I swear I do

Take my love mon amour  
Take my love make it all right  
Thanks your life with the color so bright  
Take my love pour toujours

Take my love make it all right  
Feel so good when you are by my side  
No matter where I go and what I do  
I think of you, I need you so

I'll be anything , yes I'll be anything  
Your average went of [unknown]  
I love you, I love you  
There is no love for anyone else then you

You make me feel alive  
I love you only, I swear I do  
Je t'aime, Oh yes I swear I do
