Down Now

French Kicks

Gotta stop now, ya get me so down This feeling still in everyone It's cheating ourself, gotta stop now When you do it all this way I've always said it's easy that way It's easy to manipulate And take me to war Squirrel it away when you wake up cold and alive You qo Butt out Thought I had it down now This is what I asked for Get out Go out Get down now But I'm not you so let it go I hurried again to see if you grin A second look is all I ask for Nothing's wrong, when nothing's so bad This offence is all you live for You're so down, you make me slow down When I forgot you're just that way You thought you're so bad, turn me away I know why cuz when they wanted pictures of you Guy in his van, took you to hell and was all the rage and I was let down, cuz people go down Feel myself for more of the same And now Butt out Thought I had it down now This is what I asked for Get out Go out Get down now But I'm not you so let it go Butt out Thought I had it down now This is what I asked for Get out Go out Get down now But I'm not you so let it go And I waited till today to tell you gather round to get it all And I waited so alone with nothin you get by with nothin And I waited till tonight to tell you gather around to get more And I waited so alone with nothin you get by with nothin And I waited till tonight to tell you gather round to get it all And I waited so alone with nothin you get by with nothin And I waited all alone to tell you gather around to get more And I waited till so alone with nothin you get by with nothin Sponzor: www.srovnavac.cz - šetříme na pojištění!
