French Kicks

Why, tell me why, I don't know Why, tell me why, I don't know Why, tell me why, I don't know

Flow through the night before they cover you up No one holds the... All over

And they're coming around Through the other side of the question And nothing found but I'm still asking

Why, tell me why, I don't know Why, tell me why, I don't know Why, tell me why, I don't know
