

Damn Chainz

French Montana

I got on six damn chainz, two damn rings
Louis V bracelet, I'm doing my thing

I don't fuck with broke bitches
Stay the fuck from 'round me

Jump up in that six, drop my top and get my flexing on
And every time I'm with your bitch
You know she gets her neck involved

Cause it always be some bread involved
Count it by the key, sell it by the whole
I cop a lotta work, and mail it by the low
I do this shit for real, fuck you niggas saying
