Lights up the fire, you know we get higher  
Rollin' up loud, real niggas move a choir  
Like it then I buy it, you donkeys on a diet  
Bringin' all my jewels, how you know I start a riot?  
Ridin' with the liquor, messin' up her make up  
You blowin' up her phone, she ain't tryna pick up  
Drinkin' out the bottle, I'm leanin' with a model  
I throw a hundred racks up, you'd think I hit the lotto  
Ridin' with the wolves, I ain't talkin' Minnesota  
Shorty comin' over, girl, bend it over  
Let me play Conan, put a drink on it  
Heard you a freak, put my name on it Montana!
