## French Montana

Niggas be talkin that Bonnie & Clyde shit  
Man, that's that movie shit  
All I know how to do is keep it 100 with my dogs

I love my main piece and my side piece  
Niggas acting shavy so I'm riding with my lady dog  
Hide em wherever, hide em wherever  
She know it's whatever  
We roll we roll we roll  
We roll we roll we roll

Love a bad bitch, get a Celine on  
Young Al Green get my lean on  
One love, one love  
I'm talking eyes illmatic for my semi-automatic  
I spot it from the corner with the one, got the city high  
Made Mill's label on my back  
Why didn't Diddy buy?  
Take that boost, something out the loo  
Hopping out the trunk, bumping booze  
Bad bitches, 6 inch heels  
Made 6 mills  
New jury set, cost me 6 deals  
Count them hundreds while shorty count 20's  
Shorty keep behind  
It's all bad cuz he's bluntin

I love my main bitch and my side btch  
Niggas acting shady so I'm riding with my lady dog  
Roof off the Rolls, feel close to God  
Fuck all mileage, you married to the mafia

I love my main piece and my side piece  
Niggas acting shavy so I'm riding with my lady dog  
Hide em wherever, hide em wherever  
She know it's whatever  
We roll we roll we roll  
We roll we roll we roll

I match braces to her elbow  
Platinum Chanelle when my nigga barely sell gold  
Back to 5-60 was the Melrose  
A nigga dug his way up out the cell ho  
Now yellow tape that bitch  
This girl, you be killin em, they hate that shit  
Seen you on Instagram, skyin out of Switzerland  
Yea ho, you turned me to a different man  
Rule a book off the shelf, the wrong move  
It's big business that make the small moves  
On the waterfall, mark a small cruise  
My bitch right, I ain't make a wrong move

I love my main piece and my side piece  
Niggas acting shavy so I'm riding with my lady dog  
Hide em wherever, hide em wherever  
She know it's whatever  
We roll we roll we roll

We roll we roll we roll
