French Montana

We're out in the sun  
Low as possible (don't cry)  
We're out here in the sun  
Low as possible (don't cry)  
We're out here in the sun  
Low as possible (don't cry)  
We're out here in the sun  
Low as possible (don't cry)  
We're out here in the sun  
Low as possible (don't cry)  
We're out here in the sun  
Low as possible (don't cry)

Penning these lyrics from a hammock  
With an ounce of kush and a pack of bamboos and a ice cream sandwich  
I'm that dude  
game given to you from a og point of view  
usually I sell it but I got enough to share with ya  
Baby if you cookin rolling weed I be so happy with ya  
Fuck it you so good you know I'm cheating it won't matter to ya  
You know how daddy do ya spit em make the jet maneuvers  
Hop out the club don't pur vally won't get a chance to move it  
I'm out before I hear the music thats how quick the hoes be choosin  
I don't call it pussy be scrawling to me homeboy
