## French Montana

[Miguel:]

Explicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you callin'  
Waitin', waitin'  
Why am I waitin'  
I keep that [?] for ya  
Never seen it realer  
Never seen it realer dog  
Keep that [?] for me

Say it if you mean it bae  
You don't gotta lie to me  
All I want is real shit  
You can just vibe with me  
Tell me that you need it if you  
Need it low  
Know that I can't get enough  
Believe it baby

Keep the [?] for ya  
I can paint the picture babe  
You never had it so visual, visual  
Explicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you callin'  
With your eyes, with your eyes

[French Montana:]

Montana  
You ain't gotta lie to me  
Shawty keep it real with me  
Started from the ground with me  
Now she on top of them hills with me  
Blowin' cash, till this money up  
Standin' on them couches while we like we on one, uh  
Same niggas that front  
Same niggas need a hundred  
Same bitches that front  
Same bitches that want it  
Fuckboys we passin'  
Cuban links we flashin'  
Bright lights in action  
Fly cars we crashin'  
I keep hearin' them voices  
Gotta make them choices  
Gotta pick your poison  
Black, white, Rolls-Royces, haaaah  
Baby so explicit for ya  
Cause all that money can't buy you love, Montana

[Miguel:]

Keep the [?] for ya  
I can paint the picture babe  
You never had it so visual, visual

Explicit for ya  
I'm listenin' explicit for ya  
I'll say it if you need it darlin'  
I hear you callin'  
With your eyes, with your eyes

[French Montana & Miguel:]  
Oh, yeah, you just got to show to me  
I just want to know  
Cause you glowin' from a distance  
Keep the [?] for ya
