

## Yay Yay

French Montana

I'm gone for that yay yay  
Shawty ass like yay yay  
I pulled up in that yay yay  
Wrist shining like yay yay  
My money like yay yay  
I was whipping that yay yay  
Hit the dealer, pulled up in that yay yay  
And now them hoes like yay yay  
And now them hoes like yay yay

I'm gone for the yay yay  
I hope the shit's a yay yay  
Drink it all, yay yay  
Talk to me yay yay, yay yay  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)

Shawty want a [?], yay yay  
Had to say naw to the yay yay  
Shawty smoking hard, sniffing yay yay  
Shawty playing ball with the yay yays  
Airport, flying out the yay yay  
Shawty crying out yay yay  
I make some cookies out the yay yay  
And now them hoes like yay yay  
And now them hoes like yay yay

I'm gone for the yay yay  
I hope the shit's a yay yay  
Drink it all, yay yay  
Talk to me yay yay, yay yay  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)  
Left cheek, right cheek (yay yay, yay yay)
