

Fraud

Frenzal Rhomb

Why can't you see you shouldn't have
Generated all this bullshit why you had the chance
The power that you have is such a waste
Well don't try to extend your hand, 'cause all I've got to tell
you is that I don't give a fuck

It's such a fraud, it is such a fraud
it is such a fraud, it is such a fraud
It is such a fraud

When something hits you in the face
Maybe you would notice if it would hit below the waist
Perpetuate the tired and backward taste
And don't try to extend your hand, 'cause all I've got to tell
you is that I don't give a fuck

It's such a fraud, it is such a fraud
it is such a fraud, it is such a fraud
It is such a fraud

Why can't you see you shouldn't have
Generated all this bullshit, while you had the chance
The power that you have is such a waste
Well don't try to extend your hand, 'cause all I've got to tell
you is that I don't give a fuck

It's such a fraud, it is such a fraud
it is such a fraud, it is such a fraud
It is such a fraud, it is such a fraud
It is such a fraud
