

Stay This Way

From Ashes to New

Everything inside of me
Is what it is, it's not changing
Not for you, for you
To myself I stay true
(So Try)
To understand it when I tell you that I want you out
(Cuz I've)
Been reprimanded for the last time so just shut your mouth
Bite your tongue cuz I've had enough
Your speaking under your breathe too much, shut up!

It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!
It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!

I live my life the way I choose
So walk away before I lose
My mind, it's time, for you to say goodbye
(Over)
Over and over you try to force my hand and make me change
(Older)
As I get older I understand it more and hate these games
You put me through
And now I'll never lose
And now the strides I take will guide me straight
Away from fake ass punks like you

It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!
It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!

It's never gonna change it is the same and I'ma stay this way!
It's never gonna change it is the same and I'ma stay this way!

Let me be, just let me breathe
Guaranteed you can't fix me
Everything that's underneath and inside me
Is not changing
Let me be, just let me breathe
Cuz everything that's underneath
Everything that's underneath is

NEVER CHANGING
Everything that's underneath is
NEVER CHANGING

Everything inside of me

Is what it is, it's not changing
Not for you, for you

It's never gonna change it is the same and I'ma stay this way!

It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!
It's my life it's my fate
It doesn't matter what you say
Cuz it never was your place
It's never gonna change it is the same and I'ma stay this way!

(Alive, inside)
It's my life it's my fate (MY FATE!)
It doesn't matter what you say (YOU SAY!)
(My life, Revived)
Cuz it never was your place (YOUR PLACE!)
It's never gonna change it is the same and I'ma stay this way!
It's my life it's my fate (MY FATE!)
It doesn't matter what you say (MY FATE!)
Cuz it never was your place (MY FATE!)
It's never gonna change it is the same and I'ma stay this way!
