The After Dinner Payback

From Autumn To Ashes

I'm not wishing anymore I'm not writing songs for you I sleep better in the dark I'm not doing this for you This is because of you I don't believe Tongue tied an institute of my relief You're my, my reason to shame (my reason to shame) I'm not wishing anymore I'm not writing songs for you I sleep better in the dark I'm not doing this for you This is because of you I don't believe Tongue tied an institute of my relief One wish that this is over You are all I waste today (discarded worthless throw it away) Will it tear you apart? Will it? Will it tear you apart? (When I turn and walk away abandon, its not worth the effort When Stalling means Too fucking scared to create abandon, its not worth the effort When stalling and too scared) One wish that this is over You are all I waste today (discarded worthless throw it away) Will it tear you apart? Will it? Will it tear you apart? When I turn and walk away I'm not holding onto this I'm not wasting words on you I sleep alone in spite of it I'll do anything for you This is because of you I feel relief Tongue tied to investigate what I believe You're my, my reason to blame (my reason to blame) I'm not holding onto this I'm not wasting words on you I sleep alone in spite of it I'll do anything for you

This is because of you I feel relief

Tongue tied to instigate what I believe You're my, my reason to blame (my reason to blame)
