

## Golden City

## From Dawn To Fall

I've got a try  
you got a try

let's live the moment  
we're all together

now raise your hands  
into the sky

let's live it up and  
make it last forever

sing whoooow  
let's sing whoooow  
sing whoooow  
let's sing whoooow  
sing whooooooooow
