## From Dawn To Fall

I wish that I could get you as much as you would like me to but  
I

I am not the kind of person worrying about a senseless lie  
You will not convince me, no  
Certainly not once again  
And I'm willing to give up on you now

And again, I'm ready to see you fall  
And again, I'm ready to see you fall, so just back off for no  
w

Now you're falling down on your knees asking for some sympathy  
But i'm not the one who spends his entire time feeling sorry  
You will not persuade me, no  
Certainly not once again  
Cause this time i'm not the one to blame

And again, I'm ready to see you fall  
There is no hope for us now, there is no hope for us now, i'm  
giving up

This is all your fault  
This is all your fault
