

We Are Invincible

From Indian Lakes

I pray to God like it's the end of the world
But life is meaningless when I wake up without you!
Oh God, I'm a terrible mess today!
Oh God, I'm a terrible mess today!
And if I don't ignore the hole in my heart and move on
Then by the end of the night I could up bled to death
Oh God will I ever get this back...
Where I was so long ago?

The city lights seem far away,
Are you looking for me?
If I can only make it through this night,
Maybe something will bring comfort somehow...

I tell myself that I'll forget about girls
But life is so much more with the touch of someone's skin to mine.
My lust has brought me to my knees again!

Will I fall on my face without you holding my hand?
But I swear I'll try, I swear I'll try!

(I swear I'll try!)

I'm still so terrified by the crash of the waves
And the sting in my eyes when I can finally see.
I'm still so terrified by the lights,
And the hands pull me in and I'm just free for the very first time.

(I'm still so terrified...)
I can't do this, I can't do this,
I can't do this all on my own.
If I can only make it through this night,
Maybe I will find the thing that I need.
I can't do this, I can't do this,
I can't do this all on my own.
But I'm still so terrified
But I'm still so terrified
