

## Your Son

From Indian Lakes

They're running outside and they're telling me  
There's been an accident somebody do something quick  
But what can I do when the deed has been done

Am I so full of pride that i took you for granted  
and never said I could use someone like you  
And now I can't get it out of my head  
Pictures of you crying, they make me cry too  
They make me cry too

Am I losing my mind when I'm telling you  
I was an accident I've got hear something quick  
And how can you stand there and call me your son

Am I so full of pride when you're telling me this wasn't  
worth it  
And I'm only wasting my breath  
But now I can't get it out of my head  
Sounds of you crying to get my attention

But I stood, I stood up when you called  
And I held out my hands when you told me too  
And I saw you were hiding when I spoke your name  
But if you won't wake up I don't wanna wake up  
I don't wanna wake up  
I don't wanna wake up at all  
I don't wanna wake up at all
