

It's up to you to decide
Are you prepared to slave again?

Let's get down to work
It's up to you to decide

With all their courage they face
The enemies and guns who took the place
Where the freedom never appears

It worked so well before
Let's use it once more

It's up to you to decide
To preserve the power on your side

In their eyes rush and charge
Let's get down to work
Let's get down to combat

It's up to you to decide
Yes, we did hit him again
We tried quite diplomacy
And demonstrations of military force
