

Agressiva

It's up to you to decide
It's up to you to decide

Are you prepared to slave again?
You prepared to slave again?

Let's get down to work
Down to work

It's up to you to decide
It's up to you to decide

With all their courage they face
The enemies and guns
Who took the place?
Who took the place?

Where the freedom never appears

It worked so well before
Let's use it once more
It's up to you to decide
To preserve the power on your side, on your side

In their eyes rush and charge
Let's get down to work

Let's get down to combat

Agressiva

It's up to you to decide
It's up to you to decide

It's up to you to decide
It's up to you to decide
