

## Serial Killers Don't Kill Their Girlfriend

Front 242

Here, under your bed I wait for you  
'Cause I know, I know you want me to  
Skeleton in your closet was never so true  
You're so very pretty when you're turning blue

When I hear the sound of your voice  
You leave me no choice

Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself

I'm feeling lucky tonight  
I know your mother thinks I'm society's parasite  
Well you can leave your mother home  
You know how much I like to be alone

And when I hear the sound of her voice  
She leaves me no choice

Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself

Here, under your dress I wait for you  
'Cause I know, I know you want me to

When I hear the sound of her voice  
She leaves me no choice

Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself  
Be myself, wanna be myself

Why can't you go, let me be myself
