Stretch - sweat - pierce - lash  
Choke - crush - strange desire to fly  
Scream - fight not to scream...

Let's keep on working, man!...

Shadows in the heat  
Weaving on the ground  
Sparkle in the sun  
Boil in the dark  
Start to vaporize  
Here comes that need to fly... to fly!

Keep on working, man!... keep on working, man!

Muscles in the dust  
Figures in the light  
Choking in the haze  
Lashing at the heart

Hurt (desire to)  
Fire (desire to)  
Shout (desire to)  
Burst (desire to)  
Fly!

Keep on working, man!

Hate time - hard time - crush time - strong time  
Scream - fight not to scream...

Let's keep on working, man!...
