

# Shh

Frou Frou

Sunbeam stop tugging me  
Pull that door shut quietly  
Darling what are you doing  
We don't have time for this

Mmm dey mmm da mmm daaeoo  
Mmm dey mmm da mmm daaeoo

Crazy well what are you then  
Give me an hour and I'll give you your dream...

Don't make a sound shh listen  
Keep your head down - we're not safe yet  
Don't make a sound and be good for me  
'cause I know they're waiting somewhere out here

Leave it I won't go back  
We have to do it cos there's nothing left here  
Don't care what do they know  
I've seen it baby and I know it's real  
Show time I knew they'd come  
Woah are we having fun or what yeah

Don't make a sound shh listen  
Keep your head down - we're not safe yet  
Don't make a sound and be good for me  
'cause I know they're waiting somewhere out here

I feel good all over  
I feel good all over  
I feel good all over

Wear your inside out
