

## Purged By The God

Frown

In a christmas eve  
In a darkest hour  
Under the sign of death  
She concepted  
At a loss and temptations  
In a swoon of pleasure  
She devoted  
She didn't find confort  
In her love, in her life  
In a sin of shame  
She begs for forgiveness  
She heals the pain by wine  
You won't heal  
The pain and loss by wine  
And therefore she sacrificed to god
