

# Hogwash

Fu Manchu

3 weeks after!  
Made a discovery (horrendus discovery- that's mine)  
It was linked with  
I had witnessed..  
Refused to admit  
Rumor of the voice say..  
Jolted down the broadcast  
Second time today

Dealin with the hogwash  
As you know

Flyin through this trail  
A blue rain fell  
Just before daybreak  
It was a huge mistake  
So around midday  
Or so they say  
A close escape..  
On our way
