

this rooster tail  
aint layin' no eggs  
I aint got enough  
to fill it with unless  
not quite as high  
as an elephants eye

Dust city alright  
Ranchero 7.... 5

How High?  
Like a thrillride  
three in the tree  
or four on the floor  
who loves ya baby  
worth its weight in gold  
no daily driver  
haul ride and rack  
sending heavy smokescreen  
out of a supertrap

How High?  
Like a thrillride  
Long arm trying to hold the line  
Backwoods burnin it just fine
