

# Redline

**Fu Manchu**

I'm takin' my time  
Passin' right by  
Hell, I thought I'd let this thing unwind

Last time I seen light (or life)  
Shut down round and round

Hidden far beyond  
A giant red star  
Orion shinin' on one side

[Repeat]  
Last time I seen light  
Shut down round and round
