Space Farm

Fu Manchu

Deep space comes a silver shine Get your go get mine Our ride was half as bad Not quite what they had We'll take what we can get Even if it's We'll take what we can get Even if it's We'll take what we can get Even if it's I've seen it fly around I seen it hit the ground Center sun into the sea No one rides for free We'll take what we can get Even if it's We'll take what we can get Even if it's We'll take what we can get Even if it's
