

Time To Fly

Fu Manchu

Hidden behind my chevy's walls
-everytime
That's where ill be.. that's wher I'm at
I'm doing fine
And did you know? that's wher ill go
-I'm getting mine-
Its time to fly
Its time to fly
Anodized and gettin' wider
-streamlined-
Its time to fly
Buh bye
I'm gone
Blink of an eye
Its a roomy is what they tell me
-dynamite-
Got a tear drop and a diamond
A cats eye
Its time to fly
Its time to fly
Half a one..
Six of the other
-that's right-
Its time to fly
Bye-bye
Well I'm gone
Blink of an eye eye
