**Fuck the Facts**

Insult to humanity  
A lot of lives lost  
The nazi doctors  
Outrageous (and) shocking  
Doctors escaped their crimes against humanity  
Unlike their victims  
Freezing and hypothermia  
Outside, naked  
Then revived with sun lamps  
Burned the skin  
Internal irrigation  
Intestines  
(The) warming by body heat  
Victim and a woman copulate  
Some success  
Genetic experiments  
On gypsies  
And all twins were dissected  
Measurements  
Killed by (a) injection in (the) heart  
An insult to humanity  
A lot of lives lost  
Fuck you  
Nazi piece of shit  
Fuck you  
Nazi piece of shit  
Fuck you nazi
