## Police

**Fucked Up** 

hide from the cops they broke all our locks now we got to run the cops ain't no fun to hide in the trash cops show me a badge now i am in jail i don't have no bail on the streets the police in my house the police gotta run the police they gotta gun the police a shitty band the police i ain't no fan the police sleeping on a bench the punch me in the chest just trying to get some sleep they throw me in a jeep try to sell me drugs listen to me with the bugs in a pizza van i ain't no fucking fan on his face a mustache they got their hand in my stash his ugly face i want to bash the pop the fasc in my head the police on my bed the police i can't stand the police in this fucking city
