Fuel

Hey, Mama, would you give a little bit of your time to me?
I say Mama, would you give a little bit of your time to me?
'Cause I've been standin' here for so long
waitin' for your love to cover me

I say Mama, would you give a little bit of your company?
I said Mama, would you give a little bit of your company?
Yeah, 'cause I've been standin' here for so long
waitin' for your love to cover me
Just cover me
Cover me
Cover me
Cover me
