

## Walk the Sky

Fuel

My skin is my shield  
But who's to save me from inside  
Wretched as if  
To procreate from genocide

See how it tried to fly  
Wings that are kryptonite

I wanted to fell this  
I'm thinking of trying to fly  
'Cause if I get my ins  
I'll walk the sky

All that is ill  
And all I fight to keep inside  
Grips me until  
The point of breaking's no surprise

See how it tried to fly  
Wings that are kryptonite

I wanted to feel this  
I'm thinking of trying to fly  
'Cause if I get my ins  
I'll walk the sky

I wanted to feel this  
I'm thinking of trying to fly  
'Cause if I get my ins  
I'll walk the sky

I wanted to feel this  
I'm thinking of trying to fly  
'Cause if I get my ins  
I'll walk the sky
