

Wasted Time

Fuel

1. Say it to my face
Look me in the eyes
And say what you have to say
You know we can't erase
These words before goodbye
And turn the final page

P: Ah, here comes alone again

R: 'Cause everything's broken
everything's vacant
everything's wasted time again
Sentiments, hopeless
Innocence, jaded
everything's wasted time again

2. And so we leave this stage
And all our best written lines
and all the acts we played
So, say you want to leave
and say we'd never have
the way we always hoped we'd try

P:

R:

Someday we might find

(someday we will find)
some sacred place in time

(yeah, in time)
but until then all we'll share
are dreams we left behind

'Cause everything's broken
everything's vacant
everything's wasted time again

'Cause everything's broken
everything's vacant
everything's wasted time again
Sentiments, hopeless
Innocence, jaded
everything's wasted time again

Everything is broken
(Everything is broken)
Everything is wasted time
