

# Mass Infestation

Fueled by Fire

Disease Threaten Mankind  
Infectious Plagues Arise  
Nation Fear for their Lives  
Insects and rodents carry Death  
no ones for tells this affliction  
Warnings After many Have Died  
Out Break Cannot be Contained  
Pestilence Reigns Till there is nothing Left

Mass Infestation  
Dying From Incurable Plague  
Mass Infestation  
Black Death Decompose this Race

Epidemic Turns to Pandemic  
Millions Cry and beg for a cure  
Extreme Lost of life Populations Future is bleak  
isolation those infected leaving them all to ROT!  
Survivors keep searching on  
trying to save the Human race

After Billions have died all keeps seeking Hope  
Science Creates new Answers  
Man Has found a cure for the plague  
After all this is done  
mutation creates another  
the next one becomes stronger  
Plague is Contained But Never Dies
