

# Pharmaceutical Extermination

Fueled by Fire

Reality slips away illusions of the mind  
Evaluate what is real don't know where to turn  
Seeking help for mental health looking for a cure  
Welcome to corrupted system controlling populations of the world

Delusions pour as the mind withers away

Dose increase inject or swallow believing all the lies  
Strategic plan attack the mind modern genocide  
Prescriptions fall never cure expectancy to die  
Deadly cocktail to the vane syringes as an instrument of death

Plan to exterminate  
All say to medicate  
Controlling populations  
Prescriptions  
To kill

Take what's prescribed  
Deadly medication  
Follow the directions  
The government decided  
Trip to the pharmacy  
Bottles full of poison  
Tell you it's a cure  
Pharmaceutical extermination
