## **Pharmaceutical Extermination**

**Fueled by Fire** 

Reality slips away illusions of the mind Evaluate what is real don't know where to turn Seeking help for mental health looking for a cure Welcome to corrupted system controlling populations of the worl

Delusions pour as the mind withers away

Dose increase inject or swallow believing all the lies Strategic plan attack the mind modern genocide Prescriptions fall never cure expectancy to die Deadly cocktail to the vane syringes as an instrument of death

Plan to exterminate
All say to medicate
Controlling populations
Prescriptions
To kill

Take what's prescribed

Deadly medication

Follow the directions

The government decided

Trip to the pharmacy

Bottles full of poison

Tell you it's a cure

Pharmaceutical extermination

Take what's prescribed
Deadly medication
Follow the directions
The government decided
Trip to the pharmacy
